

LOU HARRIS NEW TENNIS PRESIDENT

New Memphis Club Makes Ready to Usher in Season—Play Starts May 1

At the regular annual meeting of the New Memphis Tennis Club, held Tuesday night in the office of Farnsworth-Smithwick, 66 South Main street, Lou Harris was elected president for the ensuing year, succeeding Nat Emerson, who refused to serve another term. John Garza was named vice-president, and Kenneth Lyle secretary and treasurer.

It was decided to renew the lease on the grounds at M. U. S. Play will start May 1 and last till Sept. 15. There will be six courts—two on the hill and four on the flats. Work will start putting the courts and backstops in first-class condition for the opening of the season. All of the members are anxiously looking forward to the time when they can get out once more for a good solid dose of the sun and cold shower. Full membership of 50 is expected.

Fees were fixed at \$25 for the season for old or new members. This \$25 covers initiation fee. It was decided to offer a limited number of the privilege of membership at \$15.00 for students of grammar or high school. These junior memberships will carry all of the privileges of the club except that playing time will be limited to 4 p.m. week days and 1:30 p.m. on Saturdays.

Anyone interested in getting into a live-wire club write or call Lou R. Harris, Orgill Bldg., M. 1246; K. Moll, Lyle, Memphis Term, Corp., 230; Fred Smithwick, Farnsworth-Smithwick, M. 1755.

Buckeye Seeks To Get Back \$7,500

The Buckeye Cotton Oil company wants its \$7,500 back, and it wants the Louisville & Nashville railroad to pay it.

In a bill filed in chancery court Tuesday, the oil company seeks to recover \$7,500, which it claims was paid out of its treasury on a compromise of a damage suit, by which the widow of W. C. Humphreys, L. N. S. No. 1246, which Mrs. Lillie Humphreys filed, following an accident on an oil company switch, which resulted in his death. Humphreys was killed on Oct. 2, 1929.

The oil company alleges that Humphreys met his death by stumbling over a scale which the railroad installed and not because of buildings projecting over the track. An agreement between the railroad and the oil company is in existence, by which the railroad is protected against claims for damages because of accidents of the oil switch, but the oil company claims the railroad installed the scales which caused Humphreys' death.

YOUTH SHOTS AT OWL; HE HITS MAN

HUNTINGDON, Tenn., March 24. (AP.)—Squire Newt Orr, who lives a few miles south of town, was accidentally shot by James McArthur yesterday evening, the ball taking effect in the back part of the left shoulder. Young James McArthur was out with his gun, and seeing what he supposed was a bat on the bank of the creek, he took aim and fired. The supposed owl was, in fact, a man, who was sitting on the bank fishing. The accident occurred about twilight. When Mr. McArthur discovered his mistake he hastened for assistance. The injuries will not prove serious.

Evangelist Talks On Jonah And The Whale

Dr. E. E. Hendrick, eloquent Missouri evangelist, conducting meetings at the Court Avenue church, preached Tuesday night on "Jonah and the Whale." He prefaced the sermon with the remark that it was a whole of a sermon preached by a whole of a man, Dr. Hendrick being built on the "Patty Arbuckle" plan, but it was a very encouraging sermon, with an increased congregation.

Dr. Hendrick will preach Wednesday night on "The Old-Fashioned Home," and Mrs. J. L. McFee will sing "My Mother's Prayer." The public is invited.

Mrs. Meacham To Be Buried In Elmwood

Funeral services for Mrs. E. E. Meacham, wife of E. E. Meacham, who died Tuesday in New York city, were to be held Wednesday at her late residence, 810 Park avenue. The body will arrive in Memphis Saturday for burial in Elmwood cemetery.

Mrs. Meacham was known for her hospitality to visitors from Tennessee and was the first person to entertain foot Alvin C. York at her home upon his return from the war. She was a member of the Southern society, the Daughters of the Confederacy, the Dixie club and the Tennessee society.

A "Nest-Egg" For the Baby

PEOPLE who save money for a definite purpose find the services of a good bank of great assistance.

A moderate sum, deposited in the name of a child, will grow to be a tidy sum in twenty years. Open an account as a "nest-egg" for the baby.

For the Little Ones

To Keep Their Digestion Perfect Nothing Is So Safe and Pleasant As Stuart's Dyspepsia Tablets.

An experienced observer in charge of a large office said it was a waste of words to tell most people to eat plain food. They prefer the food that delights the eye. Checking up on the after-effects of the usual distresses of gasiness, sour risings, water brash, indigestion and so on may be avoided by following the lead of one or two Stuart's Dyspepsia Tablets. These supply the stomach with an alkaline effect, thus promoting normal conditions as in health. This puts the O. K. on so-called rich foods. Men and women are but children of a larger growth when it comes to eating the foods that satisfy, even though they may cause indigestion.

Indigestion is not necessarily confined to those who live high. It may follow so simple a process as the flavor of a bay leaf, thyme, garlic, sage or

DEMAND FOR OPERA ALREADY BRISK

With Dates May 20-22 And Still For In Future, Pleas For Seats Have Been Received Already—Scott's Organization Far Better Than Last Season

BY GEORGE WILLIAMSON.

Although the engagement of the Scott opera company in Memphis is not until May 20-22, for four performances, interest in it is so keen that quite a number of reservations for seats have been booked. The excitement of the attraction and recollection of the high merit attained last season, when this organization made its debut here, when its numbers were not within 20 per cent of those offered this season, explains why there is such an early demand. All that is received and allotted as fast as received, whether from the city or outside.

Members of the music committee of the Chamber of Commerce who were responsible for the engagement of Mr. Scott and his company last year, and who are going to do the thing in a larger measure this year, are confident that the people of Memphis and this part of the country will make the engagement the best opera offering the city has ever had, for there will be a number of the brightest stars from the Metropolitan company, an orchestra of about 25 pieces and a chorus of about 40, all paid at the rate of \$100 a week.

The company of which the famous baritone is the head, will be assembled from the ranks of the Metropolitan company, and will include some of the leading cities in the United States and South America, including Memphis, St. Louis, New Orleans, Houston, Austin, San Antonio, Dallas, Tulsa, Little Rock, etc.

In order to help break the long jump from Tulsa here, an engagement was made to present "Madame Butterfly" in Little Rock, it being un-

Committee Meets To Consider Plans Of Colonial Club

Consideration of plans for the proposed \$150,000 clubhouse to replace the one burned several months ago, will be held Wednesday night at the Chamber of Commerce by a committee of 20 members of the Colonial Country club. Likelihood that the committee will accept the set of plans was expressed Wednesday by Sam P. McDonald, president of the club. He said that the committee would be held every day or so, he said. Denial that suggestions had been adopted would sanction the construction of a basement to be roofed and upper stories built later were made by Mr. McDonald. He said the Colonial style plans would be carried out and the building erected in its entirety once work was started.

Ed Klalber is chairman of the building committee.

FLIES TO CLARKSDALE TO RUSH FIELD WORK

G. G. Garrison and Joe Marriott, of the Memphis Aerial company, made a trip by plane to Clarksdale, Miss., Tuesday to complete arrangements for the opening of the company's branch at that place. Work of grading and rolling the landing field is under way, following the recent heavy rains and the field within the next 15 days will be in perfect condition. Work on the repair shops will be started within the next few days and a gas-filling station, similar to the one at the Memphis field, will be installed.

A plane is now being made ready for service at the Clarksdale field.

SPEAKS AT LUNCHEON.

Hugh S. Magill, field secretary of the National Education Association, and Adm. Gen. R. Baxter Sweeney, of the Tennessee National Guard, were the speakers Wednesday noon at the regular weekly luncheon of the Kiwanis club.

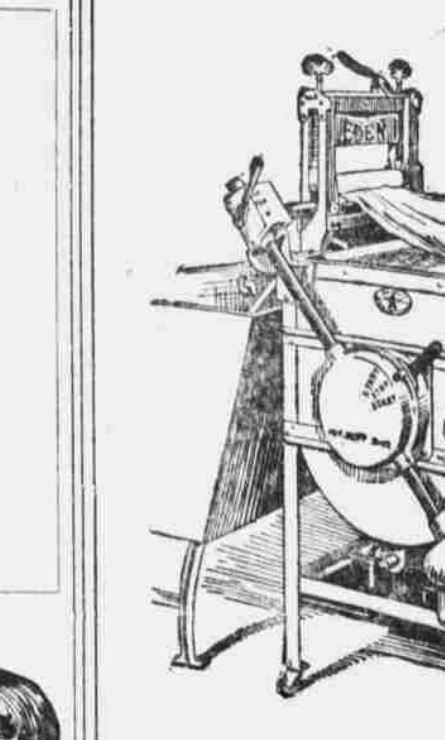

Gen. Sweeney served as captain in the 15th field artillery in the world war.

FRECKLES

March Brings Out Unightly Spots. How to Remove Easily.

The woman with tender skin dreads March because it is likely to cover her face with ugly freckles. No matter how thick her veil, the sun and winds have a strong tendency to make her freckle. Fortunately for her peace of mind, Othine—double strength—makes it possible for even those most susceptible to freckles to keep their skin clear and white. No matter how stubborn a case of freckles, Othine as used as directed will remove them.

Get an ounce from your druggist and banish the freckles. Money back if it fails.

FREE DEMONSTRATION IN YOUR OWN HOME—WITHOUT COST TO YOU.

In order to give every woman an equal opportunity of knowing all about the EDEN and its service we let the EDEN do a week's washing in your home on your soiled things—this without any obligation or expense whatsoever on your part. We just send the EDEN out with someone who shows you how simple it is to use. Phone us now for a demonstration.

HIGH MASS WILL BE SUNG FOR MRS. HOOVER

Requiem high mass will be sung Friday at Sacred Heart church for Mrs. Esther Elizabeth Hoover, 72, widow of the late J. A. Hoover, who died early Wednesday at the residence of her son, Dr. Frank H. Hoover, 412 North Montgomery street. She had been ill for several months.

Final arrangements for the funeral await word from one other son, Harry H. Hoover, of Los Angeles, Cal., but the body will be forwarded to Odell, Ill., Friday or Saturday for burial.

Mrs. Hoover has spent most of her life in Illinois, but has been a frequent visitor to Memphis.

Keeps the Straightest, Unrullest Hair in Curl

You've never seen anything work such wonders for straight, lank, unruly hair as plain liquid salmerine. Nothing else will keep the hair in curl for so long a time—nor produce such beautifully lustrous, natural-looking curls and waves. Damp or windy weather has no terrors for the woman who uses it. And no one need hesitate to use it, for it is so easily applied with a brush and is so perfectly harmless. It leaves no greasy, sticky or streaky trace. The curliness can be acquired in three hours, though many prefer to apply the liquid at bedtime. When the hair is combed out it is delightfully soft and fluffy.

Anyone who will get a bottle of liquid salmerine from the druggist and follow the accompanying directions will have a most agreeable surprise. The liquid is also valued as a splendid dressing for the hair.

RECOVER YOUTH'S BODY.

FLORENCE, Ala., March 24. (AP.)—The body of Harry Noland, son of Rev. T. N. Noland, of the Tennessee Methodist conference, has been found. The young man fell in the river at Wilson for

dam several weeks ago, jumping from one boat to another. Search was made for it at that time, but without success. It drifted down the river as far as Savannah, Tenn., and was found near that place. A boat was sent from the dam to bring the body back to be sent to his parents in Tennessee.
